Partner for Future Technology

- Upgrade kits to make operation easier, increase the testing reliability, and to reduce handling times
- Available for manual test fixtures and exchangeable kits
- Wide range of varying functions

## General data

|                    |                                               |
|--------------------|-----------------------------------------------|
| Product group:     | Functional units                              |
| Series:            | FB-MAxxxx                                     |
| Type:              | Upgrade kit to replace telescopic cover strut |
| Version:           | Electronics for dual-stage locking unit       |
| Accessory type:    | Additional function                           |
| Scope of delivery: | Pre-assembled                                 |
| Width:             | 55 mm [2.16 in]                               |
| Height:            | 60 mm [2.36 in]                               |
| Weight:            | 0.1 kg [.22 lbs]                              |
| Min. temperature:  | 10 °C [50 °F]                                 |
| Max. temperature:  | 60 °C [140 °F]                                |
| RoHS-compliant:    | Yes                                           |

## Compatible with

|              |                  |
|--------------|------------------|
| Accessories: | FB-2VM-SO-MAxxxx |
|--------------|------------------|

## Technical data

|                           |                                         |
|---------------------------|-----------------------------------------|
| Connection:               | Cable                                   |
| Max. voltage:             | 36 VDC                                  |
| Number of poles:          | 3                                       |
| Length:                   | 30 mm [1.18 in]                         |
| Cable length:             | 100 mm [3.93 in]                        |
| Outer dimensionS (WxDxH): | 55 x 30 x 60 mm [2.16 x 1.18 x 2.36 in] |
