General data

Product group:	Functional units
Series:	FB-WS
Type:	Coding and signal block
Version:	SPEA
Accessory type:	Additional function
Scope of delivery:	Fully loaded with KT-158 02
Max. interface signals:	16
Width:	10 mm [.393 in]
Height:	13.5 mm [.531 in]
Min. temperature:	10 °C [50 °F]
Max. temperature:	60 °C [140 °F]
RoHS-compliant:	Yes

Compatible with

Interchangeable kits (WS):	WS SPEA/3030
----------------------------	--------------

Technical data

Installation:	Bore D = 4 mm
Length:	40 mm [1.57 in]
Outer dimensionS (WxDxH):	40 x 10 x 13.5 mm [1.57 x .393 x .531 in]
